

Food Safety Talk

Is fermenting yogurt a safe way to preserve milk?

Can cooking a rib-eye sous vide make someone sick?

What's the safest way to make your own beef jerky?

A live podcast conversation free and open to the public

Tuesday
August 6, 2019
7:00 PM
Blencoe Auditorum
Renton Technical College

Dr. Don Schaffner and Dr. Ben Chapman, hosts of Food Safety Talk, will address pressing food safety topics at this special live recording of the podcast
